We are excited to announce will be connecting our dance studio with a dance studio in the United Kingdom through an international pen pal program!

If your dancer is interested in participating, please be sure to sign up on our website (link coming soon).

Each student at our studio will be connected to a student from their studio. Letters to pen pals will be sent by our studio to theirs all together in one package. This amazing opportunity is open to both competition and recreational students ages 7 years and older.

LISA'S SCHOOL OF DANCE CARES PROGRAM

Lisa's School of Dance has been part of the community for the past 39 years, and we're proud to give back to our friends and neighbors who matter most. That's why we've launched the Lisa's School of Dance Cares Program. Throughout the year, we will select local charitable organizations and collect items to donate. It's our way of saying THANK YOU to our community!

We are currently collecting items for the following:

Dog and Cat Food/Treats and cleaning supplies for [Portage Animal Protective League](#) and the [Portage County Dog Warden](#)

Each dancer that brings in an item to donate will be entered in a drawing. There will be one prize for students 12 and under and one prize for students 13 and older!

DRESS CODE

For information about class dress code please visit our [STUDENT HANDBOOK](#) on our website.

Beginning October 1st please hang your coats on hooks and leave your shoes in the kid's room prior to coming to class.

For your convenience, automatic payments can be set up for your child's monthly tuition. Feel free to email us at lisadances2015@att.net to get more information on our secure payment options through Square Reader.

GRATITUDE TREE

We know the month of November can be hectic for a lot of people since the holidays are quickly approaching, but our teachers will be making it a point to reflect on what makes them grateful for their dancers!

In November we will debut our gratitude tree. We are looking forward to watching our gratitude tree grow!

VIRTUAL CLASSES

Virtual classes are now available through Zoom. Links can be accessed through your Google classroom. Classes will have designated teachers and class time to ensure your dancer has dedicated one on one time with a teacher.
